## LICENCE FORM

Please note that the depositor should select the appropriate option in Section (3).

Title of Data Set

To: The Australian National University, attention Data Archive Manager, Australian Social Science Data Archive, CANBERRA ACT 0200

As the owner of the copyright in the material described in the *Schedule of Materials Deposited* hereto or duly authorised by the owner of the copyright in the material, I grant to The Australian National University, a non-exclusive licence to publish the data and information contained in the material, for the purpose of further analysis and the publication of the results of such analysis, subject to the following conditions.

### (1) UNDERTAKINGS BY USERS

Any person or institution applying for copies of the data in machine-readable form, codebooks and/or other documents of assistance to the analysis of the data (with the exception of those described in Section (2) below), or for analysis of the data to be carried out by the Australian Social Science Data Archive shall be required by the Archive National Manager to give undertakings as set out in the Undertaking Form. The Australian Social Science Data Archive and The Australian National University accept no responsibility for the consequences of any breach of these undertakings.

The Archive National Manager shall act at all times so as fully to preserve the individual confidentiality of survey respondents and their replies.

### (2) PUBLICATION OF INFORMATION ABOUT MATERIAL

In order that information about the material deposited in the Australian Social Science Data Archive may be Circulated among interested persons or institutions, the Archive National Manager may (subject to the constraint in Section (1) above) publish questionnaire forms, the text of particular questions and statistical summaries of answers to particular questions, codebooks and outline descriptions of the deposited material.

### (3) AVAILABILITY OF DATA FOR ANALYSIS

There are two standard types of access as detailed below. Other conditions can be negotiated with the Archive National Manager. Check the condition which is applicable:

#### *Unrestricted access. (Usage reports on request)*

Copies of the data in machine-readable form, codebooks and/or other documents of assistance to the analysis of data, and/or analyses of data, may be supplied by the Archive National Manager to any person or institution giving the undertakings referred to in Section (1) above. Upon request, the Archive National Manager shall send to the undersigned (or an authorised representative) information regarding the supply of such data.

#### *Depositor required to give or withhold permission for access.*

No copies of the data in machine-readable form, codebooks and/or other documents of assistance to the analysis of data (with the exception of those described in Section (2) above) shall be supplied, and no analysis of the data shall be carried out by the Australian Social

Science Data Archive, except with the written permission of the undersigned or the undersigned's authorised representative in each case or class of cases; it being understood that consent shall be deemed to have been given unless the undersigned or an authorised representative has replied within 30 days to an email to the last email address that he or she registered with the Australian Social Science Data Archive.

(4) AVAILABILITY OF UNPUBLISHED REPORTS

Any unpublished reports or interpretations of analyses that are deposited in the Australian Social Science Data Archive shall be regarded as among the documents of assistance to the analysis of data referred to in Section (3) above.

(5) DESTRUCTION OF MATERIAL

While the Australian Social Science Data Archive takes every care to preserve the physical integrity of the data, The Australian National University shall incur no liability, either expressed or implicit, for the physical materials deposited with the Archive or for the loss of data or information in the operation of the Archive.
