LICENCE FORM

Please note that the depositor should delete the inappropriate options in Sections (3) and (4).

Title of Data Set _____

To: The Australian National University, attention Data Archive Manager, Australian Social Science Data Archive, CANBERRA ACT 0200

As the owner of the copyright in the material described in the *Schedule of Materials Deposited* hereto or duly authorised by the owner of the copyright in the material, I grant to The Australian National University, a non-exclusive licence to publish the data and information contained in the material, for the purpose of further analysis and the publication of the results of such analysis, subject to the following conditions.

(1) UNDERTAKINGS BY USERS

Any person or institution applying for copies of the data in machine-readable form, codebooks and/or other documents of assistance to the analysis of the data (with the exception of those described in Section (2) below), or for analysis of the data to be carried out by the Archive shall be required by the Data Archive Manager of the Archive to give undertakings as set out in the Undertaking Form. The Australian Social Science Data Archive and The Australian National University accept no responsibility for the consequences of any breach of these undertakings.

The Data Archive Manager of the Australian Social Sciences Data Archive shall act at all times so as fully to preserve the individual confidentiality of survey respondents and their replies.

(2) PUBLICATION OF INFORMATION ABOUT MATERIAL

In order that information about the material deposited in the Australian Social Science Data Archive may be Circulated among interested persons or institutions, the Data Archive Manager of the Australian Social Science Data Archive may (subject to the constraint in Section (1) above) publish questionnaire forms, the text of particular questions and statistical summaries of answers to particular questions, codebooks and outline descriptions of the deposited material.

(3) AVAILABILITY OF DATA FOR ANALYSIS

There are three standard types of access as detailed below. Other conditions can be negotiated with ASSDA. Strike out those two of the conditions (i) to (iii) which are not applicable:

(i) *Unrestricted access.*

Copies of data in machine-readable format, codebooks and/or other documents of assistance to the analysis of data, and/or analyses of data, may be Supplied by the Data Archive Manager of the Australian Social Science Data Archive at his/her discretion, to any person or institution giving the Undertakings referred to in Section (1) above.

(ii) *Notification of access. (Access A)*

Copies of the data in machine-readable form, codebooks and/or other documents of assistance to the analysis of data, and/or analyses of data, may be supplied by the Data Archive Manager of the Australian Social Science Data Archive to any person or institution giving the undertakings referred to in Section (1) above; subject to the condition that the Data Archive Manager shall send to the undersigned (or an authorised representative) information regarding the supply of such data.

(iii) *Depositor required to give or withhold permission for access. (Access B)*

No copies of the data in machine-readable form, codebooks and/or other documents of assistance to the analysis of data (with the exception of those described in Section (2) above) shall be supplied, and no analysis of the data shall be carried out by the Australian Social Science Data Archive, except with the written permission of the undersigned or the undersigned's authorised representative in each case or class of cases; it being understood that consent shall be deemed to have been given unless the undersigned or an authorised representative has replied within 30 days to a letter sent by ordinary post to the last address that he or she registered with the Australian Social Science Data Archive.

(4) AVAILABILITY OF UNPUBLISHED REPORTS

Strike out the condition not applicable:

(a) Any unpublished reports or interpretations of analyses that are deposited in the Australian Social Science Data Archive shall be regarded as among the documents of assistance to the analysis of data referred to in Section (3) above.

(b) Notwithstanding any conditions specified in Section (3) above, application shall be made to the undersigned or to the undersigned's authorised representative, who must in each case give written permission before a user is given access to, or a reproduction of, any unpublished report. Consent shall be deemed to have been given unless the undersigned or undersigned's authorised representative has replied within 30 days to a letter sent by ordinary post to the last address that he or she had registered at the Australian Social Science Data Archive.

(5) DESTRUCTION OF MATERIAL

While the Australian Social Science Data Archive takes every care to preserve the physical integrity of the data, The Australian National University shall incur no liability, either expressed or implicit, for the physical materials deposited with the Archive or for the loss of data or information in the operation of the Archive.
